Furthermore, Nord Pool shall have a right (but not an obligation) in its sole discretion, and without prior notice to a Participant to reject, cancel or refuse to display or match any Order, if Nord Pool deems it necessary in order to secure orderly exchange trading or if such deletion is in the interest of a well-functioning market or is carried out in order to protect the legitimate interests of market participants.

Any such decision should be reasonably founded, and Nord Pool shall notify the Participant of such decision as soon as practically possible.

- 9.4.4 Nord Pool shall give the Participants information about a suspension of Trading and re-opening of Trading immediately through the Trading Platforms or by such other means of communication as Nord Pool deems efficient and appropriate given the circumstances. - 10.5** An Order submitted, cancelled or amended via the Trading Desk is only considered submitted, cancelled or amended when the Trading Desk has confirmed the entry, removal or amendment (as appropriate) of such Order on the relevant Trading Platform or otherwise in writing. The submission or amendment of an Order becomes binding on the Participant or the relevant Client from the time of entering of such submitted or amended Order on the relevant Trading Platform, regardless of the time of confirmation.
