1.4 Notes

- Market access fees includes one set of portfolios with access to all Norwegian bidding zones in the Norwegian EPAD auctions organised by Statnett
- Start-up fee will be paid once when the participant's market access is set-up
- Includes one set of portfolios with access to all Norwegian bidding zones

Notes concerning all fixed fees:

- Fixed fees are per calendar year and invoiced in advance for each calendar year
- Variable fees will be invoiced quarterly based on traded volume in the previous auctions
- The fixed fees will not be refunded if a Participant to the Norwegian EPAD auctions terminates the agreement during the year
- In order to avoid payment of the fixed fees for the next ensuing calendar year, the Member must submit a written termination notice latest on 30 September. If termination notice is received during the period of 1 October - 31 December, Nord Pool will charge a pro rata share of the next year's annual fixed fees based on the three months' notice period, calculated in full months
